INFINITY MOBILE LASER 35"

INTERACTIVE PROJECTOR TOWER

INTERACTIVE EFFECT & GAMES

STEP INTO THE GAME — NO CONTROLLER NEEDED!

The Infinity Interactive Projector turns any floor into an exciting, hands-free gaming arena. Using advanced motion sensors, players control the action with just their movement — run, jump, and play in real time. Perfect for kids' zones, arcades, events, or educational spaces, this immersive system delivers active fun that keeps everyone engaged and moving. Where fun meets futuristic tech — play has never felt this alive!

TURN ANY FLOOR INTO A WORLD OF WONDER

Experience next-level engagement with the Infinity Interactive Projector. Whether in a mall, showroom, event, or kids' play area — this cutting-edge projection system transforms ordinary spaces into captivating, touchless interactive zones. Watch as motion-tracking visuals respond in real time, sparking curiosity, joy, and unforgettable moments. Perfect for entertainment, branding, education, and immersive advertising.
